

Certificate of conformity of the factory production control

1245-CPR-2010

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Strength Graded Softwood Structural Timber

With rectangular cross section for joists, posts, studs, beams, roof timbers for buildings and bridges produced under factory production control and the continuous surveillance, assessment and evaluation of the factory production control under system 2+

produced by

Harlow Bros Ltd

and produced in the manufacturing plant

Long Whatton, Loughborough, Leicestershire, LE12 5DE

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

BS EN 14081-1:2005 + A1:2011 and BS 4978:2007 + A1:2011

under system 2+ are applied and that the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 07 April 2016 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

A handwritten signature in black ink, appearing to read 'G Sumner', is positioned above the printed name.

**Gail Sumner
Director
Morecambe
07 April 2016**

This certificate remains valid subject to six or twelve monthly surveillance audits as applicable to the standard/s and that the above manufacturer produces products in strict adherence to the above standard and CPR and does not change or amend their products and their FPC.
